

Presents:

Impact of Face-to-Face in a Health Care Reform World

Available after May 9th as a **Prerecorded Webcast or DVD**

While enforcement of the Face-to-Face (F2F) Encounter was delayed until April 1, 2011, many agencies are just now realizing the potential adverse impact of this new regulation. **How have your peers modified processes and practices to ensure success with this new requirement?** What practices and tools have emerged that support success with the new Face-to-Face Encounter requirement?

Program Objectives:

- Provide a critical review of the F2F Encounter requirement;
- Detail the impact of this requirement on current agency outcomes and processes;
- Identify emerging industry Best Practices that meet the challenges of the F2F Encounter;
- Discuss agency strategies to support ongoing success with this new regulation.

Take Away Tools:

- Sample Physician Guide with Face-to-Face Document
- Sample Staff Education Guide

You don't want to miss out on this program.

It is critical that your staff understand the far reaching impact of this new F2F regulation and how to integrate **NEW** practices to protect agency reimbursement, ensure **COMPLIANCE** and successful outcomes.

Audience:

This session is geared toward leadership and staff who are involved in the education and planning to enhance clinical care and services. Directors, supervisors, compliance and risk management staff, educators and quality management staff as well as clinicians are encouraged to participate in this program.

Length of Program: 60 Minutes

About the Speaker: Patricia W. Tulloch, RN, BSN, MSN, HCS-D, is a seasoned clinician with more than 30 years in the healthcare industry, including twelve years in home health and hospice clinical management and more than 13 years as a Senior Consultant with RBC Limited, a Healthcare & Management Consulting Firm.
